## Product summary

If you want it to be smooth!

## Description

### Maiwell UV/LED light curing device Diamond V6: Sparkling diamond for perfect nails

Add a touch of luxury and glamour to your salon with the Maiwell Diamond V6 UV/LED light curing

device. The housing of the device is completely covered with sparkling rhinestones that shimmer in all the colours of the rainbow - a real eye-catcher on any nail table!

The Diamond V6 not only impresses with its elegant design, but also with its professional performance. 36 powerful LEDs with 60 watts ensure fast and even curing of UV and LED gels, while four preset timers (10, 30, 60 and 90 seconds) make operation child"s play. The integrated motion sensor activates the device automatically as soon as you place your hand in the device.
