Product summary

VitaGel regeneration and strengthening - the elastic solution for beautiful nails!

Description

Give your nails new strength with Harmony Gelish VitaGel Recovery!

You want healthy, strong and naturally beautiful nails Then Harmony Gelish VitaGel Recovery is just the thing for you!

This innovative, vitamin-enriched formula has been specially developed to strengthen and protect brittle, splitting nails.

The benefits of VitaGel Recovery:

- **Maximum strengthening: The unique formulation with vitamins A, E and B5 strengthens the nails and effectively prevents future splitting.**
- **Healthy nail growth: VitaGel Recovery promotes the growth of healthy, strong nails.**
- **Versatile use: Use it as a protective base under your favourite nail polish or apply it alone for a naturally beautiful look.**
- **Easy to use: VitaGel Recovery hardens under LED or UV light and is then easy to remove.**
- **Professional quality: Rely on the proven quality of Harmony Gelish for healthy and well-groomed nails.**

Application:

1. **Apply a thin layer of VitaGel Recovery to clean, prepared nails**
2. **Cure the first layer under an LED lamp for 30 seconds or under a UV lamp for 2 minutes.**
3. **Repeat steps 1 and 2 for a second coat.**

Experience the transformative power of Harmony Gelish VitaGel Recovery and give your nails the strength and beauty they deserve!
