Product summary

Elegant stainless steel container, can be filled individually!

Description

Dappen Dish Set - stainless steel trays for precise work

This high-quality 3-piece Dappen Dish Set made of stainless steel is the ideal companion for precise work in the cosmetics, nail design or hobby sector. The three differently sized containers offer sufficient space for liquids, colours, glitter and other work materials and ensure that your workspace is clearly organised.

Advantages at a glance:

-
- **High-quality stainless steel:** Robust, durable and easy to clean
 - **Three different sizes:** For optimum dosing of different materials.
