Product summary

The helper for long-lasting, durable nail modelling with artificial nails!

Description

maiwell Function Extreme Primer 480ml - For bomb-proof and long-lasting nail modelling!

Ensure professional results with the maiwell Function Extreme Primer, your reliable partner for long-lasting nail modelling. This high-quality

bonding agent and primer from our own Function brand is a must-have for all nail salons and discerning users.

Advantages that impress:

- **Ultimate adhesion: The Extreme Primer effectively prevents the natural nail from becoming greasy and thus creates the perfect basis for a strong and long-lasting bond between the nail and gel or acrylic modelling.**
- **Prevents lifting: Say goodbye to lifting! The primer prevents the modelling from peeling off and thus guarantees long-lasting enjoyment of perfectly styled nails.**

Technical details & prices
