Description

Spa pedicure chair Dolphin Silver

Inspiration from nature. Set special accents with this beautiful spa pedicure chair.

Pamper your customers with a massage during the pedicure. The special feature is the innovative, newly designed seat cushion with air cushions for a lateral, gentle pressure massage of the back and pelvis. An extraordinary experience full of relaxation and with a feel-good factor.

The Dolphin spa massage chair can be conveniently controlled by remote control. There are also some types of massage, such as Shiatsu, tapping or kneading massage and various levels of

intensity.

In the basin of the pedicure tub, your customers' feet will be pampered with a pleasant, color-lit whirlpool bath. This is ensured by a powerful nozzle, the power of which can be regulated.

All models of our Dolphin Spa pedicure chair are suitable for the use of a spa liner hygiene cover (item no.: SP200/SP400) (not included in the scope of delivery included).

At maiwell we work in a customer-oriented and flexible manner. If you have individual wishes and, for example, want a different color combination, please contact us and we will help you.
