

Spa pedicure chair Universe Air

Product Information

Product summary

The spa station for your studio!

Description

Spa pedicure chair Universe Air

Modern design and functionality in harmony with your interior.

The Spa pedicure chair Universe is a real customer magnet! Treat your customers to a relaxing massage during their pedicure. This all-round feel-good experience is simply unforgettable!

Various massage functions such as Shiatsu, tapping and kneading massage and the different intensity levels of the massage chair leave nothing to be desired. An adjustable whirlpool bath with LED color changer pampers your feet.

At maiwell we work in a customer-oriented and flexible manner. If you have individual wishes and, for example, want a different color combination, please contact us and we will help you.
