Spa pedicure chair Space Gold

Our Spa pedicure chair Space is the eye-catcher for your salon!
With soft padding and a large seat, the Spa pedicure chair Space offers the best comfort for your

customers. A practical remote control, which is located in the armrest, allows your customers to adjust the optimal position of the chair and the backrest according to their own wishes. The spa pedicure chair looks appealing and fulfills every massage wish of your customers.
The elegantly curved lines come to the fore visually, in combination with our chic Pedicure tub.
All models of our spa space are designed for the use of a spa liners hygiene cover (item no.: SP200/SP400) (not included).

As a special extra, the Spa Space pedicure chairs have a USB port and audio output for the connection of headphones. This allows the customer to relax and listen to their favorite music during the treatment via an inserted USB medium.
