

Spa pedicure chair Orbit Gold

Product Information

Product summary

Futuristic design and best comfort!

Description

Spa pedicure chair Orbit Gold

Our latest model offers first-class comfort in addition to a futuristic design.

The generously designed seat offers the best comfort thanks to soft padding. The practical remote control integrated into the armrest allows your customers to set the optimal position of the chair and backrest according to their own wishes and to change it at any time. All functions, including the extensive massage functions, such as Shiatsu, tapping or kneading massage and the various intensity levels, can also be controlled by the customer himself using the remote control.

The feet are in the basin of the elegant pedicure tub made of crystal glass spoiled your customers with a pleasant, color-lit whirlpool bath. This is ensured by a powerful nozzle, the power of which can be regulated.

All models of our Spa Orbit are suitable for the use of a spa liner hygiene cover (item no.: SP200/SP400) (not included in the scope of delivery).

As a special extra, the Spa Orbit pedicure chairs have a USB port and audio output for connecting headphones. In this way, the customer can relax and listen to their favorite music during the treatment via an inserted USB medium.

At maiwell, we work in a customer-oriented and flexible manner. If you have individual wishes and e.g. want a different color combination, contact us and we will help you.
