

Spa pedicure chair Orbit silver

Product Information

Product summary

Give your studio a special touch!

Description

Orbit spa pedicure chair: luxury and comfort for your customers

Pamper your customers with the **Orbit spa pedicure chair**, which impresses with its **elegant design in black and silver** and unrivalled comfort. The **generously upholstered seat** with elegant diamond quilting and the ergonomically shaped armrests invite you to relax.

Maximum relaxation thanks to individual adjustability: The integrated remote control in the armrest allows your customers to adjust the sitting position and backrest angle to suit their preferences. Various **massage functions such as Shiatsu, tapping or kneading massage** in

different intensity levels round off the wellness experience.

Elegant glass pedicure tub with coloured light therapy: The elegant crystal glass basin pampers your customers' feet with a soothing bubble bath. The intensity of the massage jets can be individually adjusted, while the integrated coloured light creates a relaxing atmosphere.

Additional highlights for a perfect customer experience:

- **Integrated USB port and audio output:** So your customers can enjoy their favourite music during the treatment
- **Hygiene and cleanliness:** The Orbit spa pedicure chair is compatible with spa liners (item no.: SP200/SP400) for easy cleaning and optimum hygiene.
- **Individual colour requests:** Please contact us if you would like a different colour combination - we will be happy to advise you!

Dimensions:

- Length: 140cm (min) - 184cm (max)
- Width: 77cm (min) - 109cm (max)
- Height: 135cm (min) - 144cm (max)

The **Orbit spa pedicure chair** - the perfect combination of design, comfort and functionality for your studio.
