

Diamond Colour Dipping Powder No. 75 56g

Product Information

Product summary

Simple design for great results!

Description

Let your nails shine with the Diamond Colour Dipping Powder No. 75!

This summery peach-orange (see colour wheel) brings a sunny mood to your nails and can be easily integrated into your individual nail design.

The Diamond Color Dipping Powder No. 75 offers you a high-quality alternative to expensive brand products - without compromising on colour intensity, durability and longevity. The easy-to-use dipping method allows even beginners to achieve professional results.
