Description

Diamond Double Gel + Nail Polish No.19 Baby Pink: Delicate rosé for hands & feet

Feel in love with the delicate charm of Diamond Double Gel + Nail Polish in the shade No.19 Baby Pink! This irresistible duo combines long-lasting gel shine for your fingernails with quick-drying colour for your toenails - perfectly coordinated for a harmonious look.

The set at a glance:

- **Two products, one look:** Highly pigmented nail polish and long-lasting gel in identical colours for perfectly manicured hands and feet.
- **Long-lasting shine:** The UV and LED-curing gel ensures flawless shine and resistance for up to 25 days.
- **Quick and easy:** The gel cures in just 2 minutes under UV light and in an amazing 30 seconds under LED light. The nail polish dries particularly quickly.
