Description

Diamond Double Gel + Nail Polish No.115 Grass: A touch of spring for your nails

Fall in love with the fresh colour explosion of the Diamond Double Set No. 115 Grass! This duo, consisting of high-quality nail gel and perfectly coordinated nail polish, bathes your nails in a radiant green that is reminiscent of lush spring grass and refined with fine glitter particles.

Double the shine for double the pleasure:

- **Perfect harmony:** The set allows you to paint your fingernails and toenails in the same colour - for an all-round harmonious look and feel.
- **Long-lasting shine:** The gel promises perfect hold and radiant shine for up to 25 days - whether for everyday wear or special occasions.
- **Fast and easy application:** The nail gel hardens under both UV and LED light. Choose between 2 minutes under UV light or a lightning-fast 30 seconds under LED. The nail polish also dries particularly quickly.
