Diamond Double Gel + Nail Polish No.116 Dark Green: Sparkling double pack for irresistible nails

Discover the perfect duo for radiant nails in mesmerising dark green: **Diamond Double Gel + Nail Polish No.116 Dark Green**. This set pampers your hands and feet with a coordinated colour combination and long-lasting beauty.

The **Diamond Double Gel Polish** in elegant dark green gives your fingernails a touch of luxury. The special formula with fine glitter particles conjures up a shimmering finish that attracts everyone's attention. The gel is suitable for both UV and LED lamps and hardens in a very short time: Under UV light in just 2 minutes, under LED light after just 30 seconds. Look forward to perfect nails with up to 25 days of hold!

The **Diamond Double nail polish** in the same colour perfectly rounds off the set and gives your toenails a flawless look. The quick-drying formula allows for easy application and an even colour result.
