Description

Diamond Base Coat 15ml - For long-lasting & flawless nail modelling

The Diamond Base Coat is the perfect foundation for professional nail modelling. The high-quality formula from the USA protects your natural nails and at the same time ensures a bomb-proof and long-lasting adhesion of your gel manicure.

Advantages:

-
- **Optimal protection:** Protects natural nails from discolouration and damage caused by modelling.
 - **Extreme adhesion:** Ensures a long-lasting and chip-free manicure.
 - **Easy application:** Can be applied streak-free and evens out slight unevenness.
 - **Quick-drying:** Suitable for LED & UV lamps.
 - **Soak-Off:** Can be removed easily and gently.
