

NuRevolution nail file grit 150/150 25pcs.

Product Information

Product summary

Specially for dipping powder

Description

****NuRevolution™ Dip File 150/150 (25 pieces)****

Discover the NuRevolution™ Dip File - your professional tool for perfect nails with dipping powder!

This specially developed nail file was created for the precise and gentle treatment of dipping powder. The double-sided grit of 150/150 ensures efficient shortening, shaping and smoothing of the nails without damaging the natural nail. The curved shape of the file adapts perfectly to the shape of the nail and makes working effortless and comfortable.
