Washable and disinfectable!

Description

Professional product description of the Tropical Shine copper/black nail file:

Precise nail care for flawless results

The Tropical Shine nail file in elegant copper/black is your professional tool for perfectly shaped nails. The medium-fine grit of 100/100 enables gentle yet effective shortening and shaping of both natural

and artificial nails

.

Excellent comfort and durability

The highlight of this professional nail file is its sophisticated design. The stable but flexible file core with optimum cushioning ensures comfortable and controlled handling. The high-quality sandpaper guarantees even abrasion and enables effortless filing without pressure.
