### Product summary

The buffer!

### Description

**Victorise your look with the Nitro Super Shiny Gel Top!**

**Want a high-gloss finish for your manicure that lasts? The Nitro Super Shiny Gel Top is your perfect partner for long-lasting shine and protection of your nail polish creations!**

---

## Advantages:

- **Ultra-glossy finish:** Gives your nail polish an unrivalled, mirror-like shine.
- **Non-cleanse formula:** No annoying wiping off of the sweat layer after curing required.
- **Long-lasting:** Protects your manicure from scratching, chipping and fading for up to 2 weeks.
- **Chrome base:** Ideal as a base for chrome pigments and ensures an intense, metallic result.
- **Easy application:** The special formula can be applied streak-free and ensures an even finish.

**Contents: 15 ml (0.5 fl oz)**

## Application:

1. Apply the Nitro Super Shiny Gel Top to the cured colour gel
2. Cure under a UV/LED lamp (observe curing times).
3. Your ultra-shiny and long-lasting manicure is ready!
