Minimalist design combined with maximum functionality.

Description

Manicure table Lilly without dust extraction

Our manicure table Lilly offers everything you need and is also visually appealing.

Three spacious drawers and a storage compartment provide sufficient storage space. There is plenty of space for your UV devices under the worktop and the cables for your devices run through the spacious

cable ducts inside the table. Four castors on each side ensure flexible working.

- scratch-resistant high-gloss table top
- 3 spacious drawers and a storage compartment

The table can be equipped with many dust extraction systems, including the Nova Flair models.
Dust extraction is not included.
