

Evo Care FFP2 filtered half mask

Product Information

Product summary

Comfortable FFP2 mask with low breathing resistance

Description

Breathe easy - with the Evo Care FFP2 half mask

The **Evo Care FFP2 half mask** offers you reliable protection against solid and liquid aerosols such as bacteria, viruses and dust.

Comfort and safety:

- **Comfortable to wear:** The adjustable headband and neckband as well as the nose clip with comfortable edging ensure a perfect fit and a high level of comfort.

-
- **Easy breathing:** The breathable material ensures low breathing resistance so that you can wear the mask comfortably for longer periods of time.
 - **Certified protection:** The mask fulfils the requirements of PPE category III (EU) 2016/425 and the EN149: 2001+A1:2009 standard.

Ideal for:

- **Public areas:** Protect yourself and others on the bus, train, supermarket or other public areas.
- **Workplace:** Suitable for all environments where increased protection against aerosols is required.

The Evo Care FFP2 half mask - your reliable companion for a safe everyday life.
