Product summary

The 12 most popular Diamond gel colours!

Description

Let your nails glow in the dark with the Diamond nail art gel set of 12 Glow colours!

This set offers you 12 glow-in-the-dark gel colours to set the scene for your nails - day and night! The fluorescent colours charge in the light and create magical effects in the dark or

under black light.

The highly pigmented gels enable creative and detailed nail art designs. The practical small bottles with integrated nail art brush ensure precise and easy application.
