The original!

Description

Give your customers the ultimate wellness experience - with the space-saving Fusion pedicure chair in elegant red

Pamper your customers with the ultimate pedicure experience - in comfort and style! Our space-saving Fusion pedicure chair in elegant red combines luxury and functionality at the highest level

The elegant design with high-quality PU leather upholstery in classic red and elegant wood accents enhances the look of your salon and creates a cosy atmosphere. The well thought-out design of the Fusion with fully automatic retractable foot basin saves valuable space without compromising on comfort and functionality.

Your customers will love the many amenities:

- **Luxurious massage function:** The chair"s fully automatic massage function pampers your customers with various massage techniques and precise positioning.
- **Highest level of comfort:** Electrically adjustable backrest and seat, folding side rests and extendable footrests guarantee a relaxed sitting experience.
- **Practical features:** Retractable and extendable tray, removable wooden shelves and a handy remote control round off the package.

The innovative foot basin of the Fusion offers a special kind of wellness experience:

- **Soothing water massage:** The massage jet with adjustable bubble intensity ensures pure relaxation.
- **Comfortable water temperature:** The single-lever mixer allows you to easily regulate the hot and cold water temperature.
- **Hygienic cleanliness:** The water drain with automatic drain pump guarantees quick and hygienic cleaning.
- **Special extra:** The "Flow Light" light effect creates a cosy atmosphere.

The Fusion pedicure chair is the perfect combination of design, comfort and functionality. Experience the future of foot care and delight your customers with an unforgettable pampering experience!

Contact us if you have individual colour requests - at maiwell, your needs are our top priority!
