Description

OPI Gel Colour iViva OPI! - For a long-lasting, bright orange colour on your nails

Fall in love with the irresistible luminosity of **OPI Gel Colour iViva OPI!**, a radiant orange shade that radiates pure joie de vivre.

As part of the professional OPI Gel Colour nail polish collection, you benefit from the years of experience and high quality of this leading brand for soak-off nail gels.

OPI Gel Colour iViva OPI! offers you:

- **Up to 3 weeks of perfect durability:** Enjoy long-lasting, flawless nails without chipping or fading.
- **Intense colour shine:** The radiant orange draws all eyes to your hands and creates a fresh, summery look.
- **Easy application:** Thanks to the integrated ProWide brush, the polish can be applied evenly and precisely.
- **Fast curing:** The lacquer is dry after just 30 seconds under the LED lamp.
- **Gentle removal:** The soak-off formula makes removal easy and gentle on the nails.

OPI Gel Color iViva OPI! - The perfect choice for anyone looking for an expressive and long-lasting colour experience without having to compromise on the health of their nails.
