Description

OPI Gel Color - Colour To Diner For: Elegant high shine for up to 3 weeks

Find yourself in love with **Color To Diner For**, a rich, deep red-brown from OPI Gel Color that radiates timeless elegance. This professional soak-off gel polish combines long-lasting colour with radiant shine and offers you flawless nails for up to 3 weeks.

Your benefits:

-
- **Intense colour & high shine:** The unique formula of OPI Gel Color ensures an opaque colour result with incomparable shine that does not fade.
 - **Long-lasting & durable:** Enjoy perfect nails for up to 3 weeks without chipping or scratching.
 - **Gentle removal:** The soak-off polish can be removed easily and gently without damaging your natural nail.
 - **Professional application:** The integrated ProWide brush enables precise and even application. Curing takes place in just 30 seconds under an LED lamp.
