Product summary

For hygienic working!

Description

Hygienically clean - with the STERILIZER JAR disinfection jar

With the STERILIZER JAR glass disinfection jar with metal lid, you always have safe storage and sterilisation of your tools under control. Whether in a beauty salon, for piercing or tattooing - hygiene comes first.

The jar is heat-resistant and therefore ideal for sterilisation in hot-air sterilisers or autoclaves. The tight-fitting metal lid with practical knob reliably protects your instruments from contamination.

Product details:

- High-quality disinfection jar made from heat-resistant glass
- Sturdy metal lid with secure closure
- Practical labelling "STERILIZER JAR"
- Height: 11 cm
