Product summary

The space-saving under the spa and pedicure chairs!

Description

Spa pedicure chair Fusion Black Black/White

Would you like a fully equipped but not overly large pedicure chair for your salon?
Then our space-saving Fusion is just right for you!

The Fusion pedicure chair saves space in your salon with the practical, fully automatic lowering function of the foot basin and does not do without the usual functionalities, such as the fully automatic massage function.
At maiwell we work in a customer-oriented and flexible manner. If you have individual wishes and e.g. want a different color combination, contact us and we will help you with that.
Details Massage chair.
- individual control of all massage techniques with point-fixed position control - input and extendable trough
