

maiwell colour gel anGELic - Amarena

Product Information

Product summary

High-quality nail gels made in Germany

Description

Dip your nails in rich Amarena with the maiwell colour gel anGELic (440)

This highly pigmented colour gel in deep Amarena red gives your nails a touch of elegance and sensuality. The creamy texture is effortless to apply and allows for both pop full-cover designs and nail art creations with a love of detail.
