

maiwell colour gel anGELic - Deep Sea Mystic

Product Information

Product summary

High-quality nail gels made in Germany

Description

Dive into the deep sea with maiwell colour gel anGELic - Deep Sea Mystic (87B)!

This colour gel in an intense, mystical dark blue awakens a longing for the depths of the ocean and gives your nails a touch of luxury and elegance.

The highly pigmented formulation of the anGELic colour gel provides a rich, opaque colour in just one application. The easy application guarantees streak-free and flawless results - even for beginners.
