

maiwell colour gel anGELic - Spring Collection #01

Product Information

Product summary

High-quality nail gels made in Germany

Description

Find the magic of spring with the maiwell anGELic colour gel - Spring Collection #01!

This warm, earthy red-brown colour is reminiscent of the first flower buds and brings the sensuality of spring directly to your nails.

Like all anGELic colour gels, this shade also impresses with:

- **Strong colour intensity:** One application is enough for a flawless, even result.
- **Long-lasting brilliance:** Enjoy weeks of radiant colour without fading.
- **Effortless application:** The creamy texture can be applied evenly and does not set.
- **Professional durability:** No settling of the pigments, no need to stir even after a long time.
- **Fast curing:** Cured in just approx. 120 seconds under the UV lamp.

Create beautiful spring nails with this expressive colour - whether as a full-cover look or for creative nail art designs, there are no limits to your imagination!
