

maiwell colour gel anGELic - Spring Collection #02

Product Information

Product summary

High-quality nail gels made in Germany

Description

Dive into the colour magic of spring with maiwell colour gel anGELic - Spring Collection #02!

Let yourself be enchanted by this deep, expressive shade of blue! Like the sky on a clear spring day, this colour gel radiates pure joie de vivre and freshness.

Whether it's trendy full-cover modelling or creative nail art - anGELic is the perfect way to showcase your nails. The highly pigmented formula guarantees intense colour and perfect coverage with just

one coat. Enjoy the easy application and long-lasting colour brilliance without the pigments settling.
