

maiwell colour gel anGELic - Spring Collection #09

Product Information

Product summary

High-quality nail gels made in Germany

Description

Dive into spring with maiwell anGELic colour gel - #09!

This radiantly beautiful turquoise blue is reminiscent of clear spring skies and lets your nails shine with a fresh glow.

The maiwell anGELic spring collection was specially developed for creative nail art and expressive, colourful nail designs. With this colour, you can add fresh accents and bring spring to your nails!

What makes anGELic #09 so special

?

- **Intense turquoise blue:** The colour radiates pure spring freshness and is a real eye-catcher.
- **Highly pigmented & colour stable:** Experience rich colour after the first application. The colour remains brilliant for a long time and does not fade.
