

maiwell colour gel anGELic - Green

Product Information

Product summary

High-quality nail gels made in Germany

Description

Dive into the world of colours with maiwell colour gel anGELic - Green (223)

This intense dark green takes you straight into a mystical forest and gives your nails a noble, mysterious aura.

Discover the benefits:

- **Strong coverage:** Just one coat is enough for a rich, even colour result.

-
- **Long-lasting colour brilliance:** No fading, no yellowing - enjoy radiantly beautiful nails for weeks.
 - **Hassle-free application:** The creamy texture is effortless to apply and self-apply.
 - **No pigment deposits:** No annoying stirring necessary - the colour gel remains permanently homogeneous.
 - **Fast curing:** Your manicure is ready in just 120 seconds under the UV/LED lamp.

Let your creativity run wild:

Whether you want eye-catching full-cover designs, subtle accents or artistic nail art - there are no limits to your imagination with this colour gel. Discover the many possibilities and create unique looks that emphasise your personality
