

## maiwell Glittergel anGELic - Red Power

### Product Information

### Product summary

High-quality nail gels made in Germany

### Description

## Set sparkling accents with maiwell glitter gel anGELic - Red Power (429)!

This sparkling red will make your nails shine! The maiwell glitter gel anGELic in the shade Red Power (429) is the perfect companion for expressive nail designs and creative nail art.

The highly pigmented formula guarantees a rich colour and an irresistible glitter effect. Thanks to the easy application, both flat modelling and intricate details can be created effortlessly.
