What makes anGELic glitter gels so special

?

- **Luminous, colour-stable pigments:** For a long-lasting, radiant result without fading.
- **Excellent coverage:** You get an even and intense colour result after just one coat.
- **Easy to apply:** The smooth texture is easy to apply and self-smoothing.
- **No settling of the pigments:** No more annoying shaking! The special formula prevents the glitter particles from settling, guaranteeing a perfect result every time.
