Description

maiwell Metallic colour gel anGELic - Blackberry (236): A touch of luxury for your nails

Give your nails a touch of luxury and elegance with the **maiwell metallic colour gel anGELic in Blackberry (236)**. This stunning colour is reminiscent of ripe blackberries and combines rich, warm red tones with a fascinating metallic shimmer.

The benefits at a glance:

-
- **Luxurious metallic effect:** The fine shimmer particles conjure up a sophisticated, sparkling finish on your nails.
 - **Intense colour coverage:** Just one coat is enough for an opaque, colour-intensive result.
 - **Long-lasting colour:** The colour gel is colour-stable and does not fade, giving your nails a full shine for a long time.
 - **Problem-free application:** The creamy texture is effortless to apply and self-smooth for a perfect result.
 - **No settling of pigments:** Thanks to the innovative formula, annoying shaking and stirring are a thing of the past.

Create a variety of looks:

Whether it's trendy full-cover nails, elegant French manicures or artistic nail art designs, the maiwell metallic colour gel anGELic in Blackberry (236) offers you limitless possibilities to express your creativity.

Quick and easy to use:

The colour gel hardens in just 120 seconds under the UV/LED lamp. This saves you time and you can admire your masterpiece in no time at all.
