

maiwell metallic colour gel anGELic - Bonbon Honeymelon

Product Information

Product summary

High-quality nail gels made in Germany

Description

Enchant your nails with the glamour of Bonbon Honeymelon!

The maiwell metallic colour gel anGELic - Bonbon Honeymelon (515) envelops your nails in a delicate, rose-golden shimmer that is reminiscent of sun-ripened watermelons. The highly pigmented gel is easy to apply and creates an even, opaque

layer of colour with a luxurious metallic finish.

Your benefits:

- **Shiny metallic effect:** Add a touch of glamour to your nails with the sparkling finish.
- **Trendy colour:** The warm, rose-gold tone flatters every skin tone and is ideal for elegant and everyday looks.
- **Easy application:** The creamy texture can be applied without streaks and ensures a professional result.
- **Long-lasting colour:** Look forward to radiant colour that won't fade.
- **High coverage:** Just one coat is enough for a perfect colour result.
- **No settling of the pigments:** The gel remains long-lasting and does not need to be stirred.
- **Fast curing:** Cured in just approx. 120 seconds under the UV/LED lamp.

Discover the versatile possibilities of maiwell metallic colour gel anGELic and create trendy, colourful nail designs or set accents with creative nail art!
