Product Information

Product summary

High-quality nail gels made in Germany

Description

Let your nails shine in a warm copper glow!

Give your nails a touch of luxury with the maiwell metallic colour gel anGELic in orange (231). The warm colour with a subtle metallic shimmer conjures up a glamorous finish that draws all eyes to your hands.

What makes this gel so special:

- **Luminous, metallic copper:** The colour brings warmth to your look and adds sparkling accents.
- **Highly pigmented and opaque:** Just one coat is enough for an intense colour result.
- **Long-lasting colour:** The gel is colour-stable and retains its shine even after a long time.
- **Easy application:** The smooth texture can be applied and blended evenly.
- **Fast curing:** The gel cures within approx. 120 seconds under the UV/LED lamp.

Whether it's a trendy full-cover manicure or creative nail art designs - with the maiwell metallic colour gel anGELic in orange (231), there are no limits to your nail creations!
