Product Information

Product summary

High-quality nail gels made in Germany

Description

Dip your nails in royal purple with the maiwell metallic colour gel anGELic - Sweety (620)

Give your nails a touch of glamour and elegance with the **maiwell metallic colour gel anGELic in the shade Sweety (620)**. This stunning violet colour with a subtle metallic shimmer draws all eyes to your hands and creates an irresistible, regal look.

Thanks to its creamy texture, the highly pigmented colour gel is effortless to apply and guarantees an even, streak-free result with just one application. The colour remains stable and vibrant even

after a long time without the need for stirring.
