

maiwell Premium Glittergel anGELic - Goldfinger

Product Information

Product summary

Premium colour gels made in Germany

Description

Dip your nails in liquid gold - with maiwell premium glitter gel anGELic Goldfinger (P219)!

Experience pure glamour with the **maiwell premium glitter gel anGELic Goldfinger (P219)**. The image shows the high density of fine glitter particles in a warm gold tone that make your nails shine. Just one coat is enough to achieve an intense, opaque colour result. Perfect for special occasions or to add a touch of luxury to your everyday look.
