Premium colour gels made in Germany

Description

maiwell Premium Glitter Gel anGELic Wedding White Gold (P291) - Sophisticated shine for radiant nails

Give your nails a touch of luxury with the **maiwell Premium Glitter Gel anGELic Wedding White Gold (P291)**. The name says it all: this gel conjures up a sparkling, champagne-coloured finish on your nails - perfect for special occasions or to add a touch of glamour to your everyday life.

The finest glitter particles in a clear gel ensure an even, radiant result with a fascinating depth

effect. The image shows the high concentration of glitter particles and gives an idea of the luxurious look.
