

59s UVC LED Sterilization box

Product Information

Product summary

Quick and easy hygienic!

Description

59s UVC LED Sterilization box

With this box you can sterilize your work utensils quickly and easily.

Scissors, knives, razors, files, etc. can simply be placed in the box and positioned and sterilized on the shelf provided. Bacteria and viruses are efficiently removed by irradiation with UV light. The mirrored bottom ensures that your utensils are evenly irradiated. The progress of the application is communicated to you by a light signal and voice output.

- compact, flat shape

-
- modern design
 - 8 UV LEDs
 - power: 8 Watts
 - power connection: USB Type-C
 - dimensions (W / D / H): 21.5cm x 10cm x 7.1cm
