The balanced all-rounder

Description

The balanced all-rounder

Aminaa is our design model with an expressive appearance. You could also call it the Golf class - priced in the midrange and yet full of comfortable functions and of the best quality.- Automatic identification of the ideal massage by body scan before the massage.

The perfect combination of design and comfort

The perfect combination of design and comfort After a long day, simply start an automatic program and enjoy a relaxing massage. Thanks to the body scan, this versatile massage chair offers you your own personal favorite massage - individualized to your body on the one hand, and also designed for

your respective daily needs on the other.

A perfect fit and all-round soothing

Do you want to relax after an exhausting day of gardening or find a balance for your stiff neck after a boring day in (home) office? Just sit down and relax at the touch of a button.

With the memory function, you can easily save the desired settings and conveniently retrieve them the next time. Another great feature: in the Zero Gravity position you can relax weightlessly - a feeling almost like being in another world.
