Product summary

The space-saver among the spa and pedicure chairs!

Description

Fusion spa pedicure chair: luxury and functionality in one

Pamper your customers with the ultimate spa experience - with the space-saving and elegant Fusion pedicure chair from maiwell.

This model combines stylish design with state-of-the-art technology and offers both you and your customers maximum comfort. The chair impresses with its sophisticated colour scheme in beige and white, which is elegantly accentuated by dark wood applications. The curved shape and high-quality materials exude a luxurious ambience and invite you to relax.

The advantages at a glance:

- **Space-saving:** The fully automatic lowering function of the foot basin saves valuable space in your salon.
- **Luxurious features:** Enjoy the benefits of the fully automatic massage function and pamper your customers with an unrivalled wellness experience.
- **Highest level of comfort:** The electrically adjustable backrest and seat as well as the folding side rests make it easy to get in and out.
- **Individual customisation:** Adjust the massage techniques precisely and enjoy pinpoint position control.
- **Practical details:** Pull-out wooden shelves, a practical remote control and an easy-care PU leather cover round off the comfort.
- **High-quality pedicure tub:** Equipped with a massage jet with adjustable bubble intensity, a soothing flow light effect and an adjustable footrest, every pedicure is a pleasure.

The Fusion spa pedicure chair is the perfect combination of functionality, design and comfort - for an unforgettable wellness experience in your salon.
