Description

Treat your customers to a royal pampering experience: Spa Pedicure Chair Venus

With the Venus spa pedicure chair you set new standards in luxury and wellness.

The Venus impresses at first glance with its elegant design in classy black and stylish chrome accents. The high-quality workmanship and the elegant quilting of the black artificial leather exude a luxurious lounge flair.

But the Venus is not only visually impressive, it also offers an incomparable pampering experience:

For your customers:

- **Pure relaxation:** Various massage functions such as shiatsu, tapping and kneading massage pamper your customers and can be individually adjusted using the integrated controls in the armrest.

-
- **Wellness for your feet:** A soothing bubble bath with adjustable intensity and fascinating LED color changer makes foot care an experience.
 - **Comfort in every position:** The backrest can be individually adjusted for optimal comfort.

Your benefits:

- **High quality:** The Venus impresses with its robust construction and high-quality materials for a long service life.
- **Elegant design:** The chair visually enhances your salon and creates an atmosphere of luxury and relaxation.
- **Easy to use:** The intuitive operation allows your customers to customize their treatment.

The Venus spa pedicure chair - the perfect combination of luxury, comfort and functionality.

Pamper your customers with a unique wellness experience they will never forget!
