Product summary

Novicide is the leading provider of disinfection solutions!

Description

NOVICIDE is the easiest, fastest, most effective and safest way to reliably disinfect hairdressing and beauty tools. Manicure and salon tools are disinfected in one step and reliably freed from bacteria, viruses and fungi.

- Has a 100% killing effect on all existing forms of viruses
- extended protection against bacteria and fungi

-
- More economical to use as less concentrate is required due to the improved formula: The new mixing ratio is now based on 50 ml with 1000 ml tap water
 - 10 applications from the 500 ml bottle and 40 fillings from the 2000 ml bottle possible
 - pleasant to use as it is odorless

Note: Use biocidal products carefully. Always read the label and product information before use.
