Product summary

If you want it to be smooth!

Description

CND Retention+ Sculpting Powder Bright White

Perfect modelling in bright white

The **CND Retention+ Sculpting Powder Bright White** is a high-quality modelling powder that ensures radiant white, long-lasting results. The creamy texture enables precise application and effortless application, both for thin layers and for more elaborate modelling.

Advantages:

- **Bright white finish:** Ideal for French manicures, baby boomer nails and other designs that require a bright white finish.
- **Long-lasting results:** Self-smoothing formula provides a smooth, scratch-resistant finish with exceptional durability.
- **Easy to apply:** The creamy consistency allows for precise application and moulding, for beginners and professionals alike.
- **Versatile use:** Suitable for natural nail enhancements, modelling on tips and stencils as well as for individual colour blends.

Application:

Use the CND Retention+ Sculpting Powder Bright White in combination with CND Retention+ Liquid, Radical SolarNail Liquid or Moxie Sculpting Liquid.

Contents: 907 g (32 oz)

Discover the perfect combination of radiant white and professional durability with CND Retention+ Sculpting Powder Bright White!
