Description

Christrio trapezoidal file - 50 pieces in a practical storage pack

The Christrio trapezium files (grit 100/100) are an indispensable tool for perfect manicures in the professional sector.

Advantages at a glance:

- **Efficient shaping:** The trapezoidal shape of the files enables quick and precise shortening and shaping of both artificial and natural nails.
- **Comfortable handling:** Thanks to their ergonomic shape, the files lie securely and comfortably in the hand, allowing fatigue-free work.
- **Reliable quality:** The 100/100 grit ensures even abrasion and optimum results for robust natural and artificial nails.
- **Hygienic and durable:** The files are washable, can be disinfected (e.g. in a sterilisation bath) and are particularly durable.
- **Large pack:** With 50 pieces in a practical storage pack, the files are ideal for use in nail salons and for mobile work.

With Christrio trapezoidal files, you can achieve professional results with every manicure.
