Description

☐☐ The maiwell Professional Gel Nail Polish Collection (96 Colors, HEMA- & TPO-free, 15ml)

Set new standards in your nail salon! With the **maiwell 96-piece complete collection**, you receive a carefully curated color palette that perfectly covers every client preference and every season. Combined with a forward-looking, low-allergen formula, this set is the perfect choice for professional nail technicians and discerning salons.

☐☐ Maximum Safety: 100% HEMA- & TPO-free

The health of your clients—and your own—comes first. Maiwell relies on a modern formula free from concerning ingredients:

- **Hypoallergenic & Gentle:** Drastically reduces the risk of skin irritation, redness, and the development of new allergies.
- **Kind to the Natural Nail:** No sensation of heat (heat spikes) under the UV/LED lamp and comfortable to wear.
- **Future-proof & EU-compliant:** 100% compliant with current and upcoming European cosmetic standards.

☐☐ Overview of the 4 exclusive color collections (96 shades)

With 96 perfectly coordinated colors, you'll never have to turn down a client's color request again:

- ☐☐ **Nude & Classic Glam (24 colors):** Delicate pink and beige tones, milky whites, and French classics for timeless elegance.
- ☐☐ **Passion & Deep Reds (24 colors):** From classic signal red and cherry to sophisticated Bordeaux and plum.
- ✂ **Pop & Summer Vibe (24 colors):** Radiant neon tones, fresh turquoise, sunny yellow, and trendy pastels for the warmer months.
- ☐ **Glitter & Night Out (24 colors):** Dense shimmer shades, metallic effects, and spectacular glitter particles for events and parties.

☐ The maiwell quality guarantee for salons:

- ☐☐ **Brilliant coverage:** Highly pigmented formula that provides perfect, streak-free coverage

with just a single coat.

- **Self-leveling formula:** The gel polish automatically levels out smoothly on the nail – saves valuable filing and sculpting time.
- **Ergonomic Precision Brush:** Specially rounded bristles hug the cuticle perfectly for clean edges.
- **Extremely Long-Lasting:** Does not chip or yellow, and retains its mirror-like high-gloss shine for up to 4 weeks.
- **Economical 15ml Large Bottle:** Maximum yield per bottle for maximum profitability in your salon.

System Application Tip for Best Results:

1. Prepare the natural nail as usual, buff the surface, and degrease using dehydrator & primer.
2. Apply a thin layer of **maiwell Base Coat** and cure under a UV/LED lamp (60 sec. LED / 120 sec. UV).
3. Apply 1–2 thin coats of your desired **maiwell Gel Polish**, curing after each coat.
4. Seal with **maiwell Top Coat** and remove the inhibition layer (if present) – ...and the perfect salon look is complete!

Salon Advantage & Presentation

The 96-piece collection not only delivers stunning results on the nails but also serves as a visual highlight in your salon. Offer your clients a full range of options in premium salon quality and sustainably boost revenue per treatment!
