Product summary

Perfect color brilliance for professional nail salons and demanding nail art lovers: This highly pigmented UV/LED gel nail polish in a generous 15ml bottle impresses with flawless coverage from the very first coat. The innovative formulation is **100% HEMA- & TPO-free**, reliably protects against contact allergies and guarantees long-lasting salon results.

-

100% HEMA- & TPO-free: Hypoallergenic formula for maximum skin and natural nail protection.

-

Intense coverage: Highly pigmented shade with a mirror-smooth high-gloss finish.

-

Up to 25+ days wear: Shock-resistant and chip-proof without fading or scratches.

-

Ergonomic professional brush: Self-leveling texture for streak-free application right up to the cuticle.

-

Lightning-fast curing: Dry in just 30 sec. under LED or 120 sec. under UV light.

Description

maiwell Professional UV/LED Gel Polish - 15ml (HEMA- & TPO-free)

Radiant Color Brilliance, Maximum Shine & 100% Skin Compatibility

Set new standards in your nail salon or home manicure: **maiwell UV/LED Gel Polish in 60 Colors** impresses with high-intensity pigmentation, mirror-like high-gloss shine, and maximum product safety. The innovative formula guarantees streak-free coverage from the very first coat and provides optimal protection for the natural nail.

The highlight of the formula: This gel polish is **100% HEMA- and TPO-free**. This drastically minimizes the risk of skin irritation and contact allergies – for professional nail design without compromising on durability or color intensity.

☑☑ Your Benefits at a Glance

- **100% HEMA- & TPO-free:** Hypoallergenic formula for effective allergy prevention. 100% compliant with current EU cosmetics standards.
- **Up to 25+ Days Chip Protection:** Impact-resistant, flexible texture prevents scratches and chipping – for long-lasting, flawless nails.

- **Perfect Coverage from 1st Coat:** Creamy, self-leveling viscosity for an even application without running into the cuticles.
- **Ergonomic Precision Brush:** The specially rounded flat brush fits precisely to the cuticle line – for clean edges in no time.
- **Lightning-Fast Curing:** Saves time during application – dry in just **30 seconds under LED** or **120 seconds under UV light**.
- **Gentle Soak-Off System:** Effortlessly removable with acetone systems, saving time – without aggressive filing.
- **Economical 15ml Bottle:** Maximum yield per bottle for optimal profitability in daily salon use.
