Product summary

The ultimate complete set for professional nail salons and demanding nail art lovers: The maiwell Master Studio Collection offers 60 highly pigmented, opaque UV/LED gel polishes in generous 15ml bottles. The innovative formula is **100% HEMA- & TPO-free**, reliably protecting against contact allergies and guaranteeing flawless results.

- **100% HEMA- & TPO-free:** Hypoallergenic formula for maximum skin and natural nail protection.
- 60 Trend & Classic Shades: Perfect color variety ranging from Nude to Deep Red, Glitter, and Pop shades.
- Up to 25+ Days of Wear: Retains a mirror-like high-gloss shine without chipping.
- Ergonomic Professional Brush: Self-leveling texture for a streak-free application right up to the cuticle line.

-
- **Lightning-Fast Curing:** Fully cured in just 30 seconds under LED or 120 seconds under UV light.

Description

maiwell Master Studio Collection – 60-Piece Set UV/LED Gel Polish (HEMA- & TPO-free)

Maximum color variety meets ultimate compatibility

Set new standards in your salon or at home: The **maiwell Master Studio Collection** combines 60 exclusive, highly pigmented gel polishes in a unique complete set. Specially developed for the high demands of professional nail design and spa environments, this collection offers full coverage from the very first layer, spectacular mirror shine, and maximum product safety.

The highlight of the new formulation: The entire collection is **100% HEMA- and TPO-free**. This effectively protects you and your clients from skin irritation and contact allergies – with zero compromises on durability or color intensity.

☑☑ Your benefits at a glance

- **100% HEMA- & TPO-Free:** Drastically reduces the risk of allergies. The hypoallergenic formula protects the natural nail and fully complies with current and upcoming EU cosmetic standards.
- **Up to 25 Days of Chip Protection:** The flexible, impact-resistant texture ensures ultra-long wear with a lasting high-gloss finish.
- **Perfect Coverage from the 1st Layer:** Creamy, self-leveling viscosity for streak-free, precise application without running into the cuticles.
- **Ergonomic Precision Brush:** Specially rounded bristles contour smoothly along the cuticle line – for clean edges in no time.
- **Lightning-Fast Curing:** Save valuable time in the salon – fully cured in just **30 seconds**

under LED or 120 seconds under UV light.

- **Gentle Soak-Off System:** Effortless and time-saving removal with acetone systems – completely without aggressive filing.
- **Economical 15ml Bottle:** Maximum yield per bottle for optimal profitability in your business.

👁️ **The 4 exclusive color worlds at a glance (60 shades)**

With 60 perfectly coordinated colors, you can effortlessly meet every client request and seasonal trend:

- 🌸 **Nude & Classic Glam:** Delicate pink and beige tones, milky whites, and classic French shades for timeless elegance.
- 🍷 **Passion & Deep Reds:** From classic bright red and cherry to elegant bordeaux and plum.
- 🌈 **Pop & Summer Vibe:** Vibrant neon shades, fresh turquoise, sunny yellow, and trendy pastels for the warm season.
- ✨ **Glitter & Night Out:** Dense shimmer nuances, metallic effects, and spectacular glitter particles for events and parties.
