Product summary

Perfect color brilliance for professional nail salons and demanding nail art lovers: This highly pigmented UV/LED gel nail polish from the maiwell Macaron Collection in a generous 15ml bottle delivers flawless coverage from the very first coat. The innovative formulation is **100% HEMA & TPO-free**, reliably protects against contact allergies, and guarantees long-lasting salon-quality results.

- **100% HEMA & TPO-Free:** Hypoallergenic formula for maximum skin and natural nail protection – ideal for sensitive clients.
- **Part of the Macaron Collection:** Delicate trend color for elegant pastel looks and limitless nail art creativity.
- **Intense Coverage & High-Gloss:** Highly pigmented texture with a mirror-smooth, radiant finish without any streakiness.
- **Up to 25+ Days Durability:** Shockproof, scratch-resistant, and chip-free – doesn't fade and maintains fresh salon shine for weeks.

-
- **Ergonomic Professional Brush:** Fans out precisely for effortless, streak-free application right up to the cuticle.
 - **Ultra-Fast Curing:** Fully cures in just 30–60 seconds under LED or 120 seconds under UV light.

Description

maiwell Professional UV/LED Gel Polish - 15ml (HEMA- & TPO-Free)

Radiant Color Brilliance, Maximum Shine & 100% Skin Compatibility

Set new standards in your nail salon or home manicure: The **maiwell UV/LED Gel Polish** from the exclusive Macaron Collection delivers high-intensity pigmentation, mirror-like high-gloss shine, and maximum product safety. The innovative formula guarantees streak-free coverage from the very first coat and provides optimal protection for the natural nail.

The highlight of the formulation: This gel polish is **100% free of HEMA and TPO**. This drastically reduces the risk of skin irritation and contact allergies – for professional nail design without compromising on durability or color results.

☑☑ Your Benefits at a Glance

- **100% HEMA- & TPO-Free:** Hypoallergenic formula for effective allergy prevention. 100% compliant with current EU cosmetic standards.
- **Up to 25+ Days Chip Protection:** Shockproof, flexible texture prevents scratches and chipping – for long-lasting, flawless nails.
- **Perfect Coverage from the 1st Coat:** Creamy, self-leveling viscosity for uniform application without running into the cuticles.
- **Ergonomic Precision Brush:** The specially rounded flat brush conforms perfectly to the cuticle line – for clean edges in no time.

- **Ultra-Fast Curing:** Saves time during application – fully dry in just **30 to 60 seconds under LED** or **120 seconds under UV light**.
- **Gentle Soak-Off System:** Effortlessly and quickly removed with acetone systems – without aggressive filing.
- **Economical 15ml Large Bottle:** Maximum yield per bottle for optimal profitability in daily salon routine.
